

DISCIPLE

Beginning in 1986 with a small group of 18 the vision that has become DISCIPLE BIBLE STUDY has been influential in transforming the lives of over 1.5 million people. Trained lay facilitators lead DISCIPLE Bible Study classes on in-depth journeys through the Old and New Testaments. A class meeting for video lecture, group discussion and fellowship follows each week of individual preparation and study. Real people read and share, becoming closer to God and to each other through these small group settings. Lives are changed.

United Methodist Churches in the greater Charlotte area invite you to study alongside other real people like you to learn, to grow lasting friendships and to be transformed by the power of God's Word. Contact any of the churches listed for fall registration and more information about DISCIPLE or speak to your own clergy about bringing DISCIPLE to your church!
