

The Charlotte District E-Pistle

July 1, 2006

Colleagues:

SIM's Ethnic Focus Ministry is going to offer English as a Second Language Tutor Training Workshop on September 29th and 30th at Good Shepherd United Methodist Church on Moss Road in Charlotte.

The ten-hour workshop features specialized instruction in Teaching English as a Second Language designed specifically for laypersons. It includes an emphasis on starting an ESL outreach in a church and how effectively to witness in the relationships that result from such an outreach. The Charlotte District's Latino/Hispanic Committee enthusiastically recommends this workshop experience for all churches in the district as a first step in reaching out in Christian love to the many that are now moving into the Charlotte region.

If you have any questions, please contact:
