## **Purpose of the Charlotte District Program Council on Ministries**

The central purpose of the Charlotte District Program Council on Ministries is to resource and empower the local church to make disciples. Our mission is to nurture disciples effectively so that they may serve faithfully in the spirit of Jesus Christ. The DPCM shall assist local churches to minister more effectively; to serve as a channel of communication between the local churches, the Annual Conference Program Council on Ministries, and the general agencies of the Church; to initiate programs for the district; and to help the Annual Conference Program Council on Ministries in the performance of its functions.

### **FUNCTIONS:**

- To study the needs of the local churches in the district and help them establish and provide more effective ministry in and through the churches.
- To keep local churches informed on the work of the whole Church and challenge each church to full participation.
- To encourage local churches to engage in creative, innovative approaches to ministry.
- To serve as a two-way channel of communication between the local churches and the Annual Conference and to assist local churches in communication with each other.
- To study the needs of the district and establish priorities for district action.
- To develop experimental types of ministry within the district.
- To provide leadership training events for local church leaders.
- To relate the Annual Conference Program Council on Ministries and its staff to local church needs.
- To make program and other recommendations to the Annual Conference Program Council on Ministries.
- To assist in the implementation of the program of the Annual Conference.
- To cooperate in ecumenical programs and events on the district level.
- To plan and conduct inspirational events.
- To elect the lay representatives(s) from the district to membership on the Annual Conference Program Council on Ministries.
